**Background/Summary:**

During approval of Villebois Phase 5 North (Clermont) the City found the segment of SW Cherboung Lane between SW Berlin Avenue and SW Stockholm Avenue was not feasible due to

topography. This action vacates a small stub of SW Cherbourg Lane previously dedicated to the City and constructed in association with Villebois Phase 2 North. The vacated area will be incorporated into portions a mid-block pedestrian connection, portion of an alley, and portions of two residential lots.

### Conclusion and Conditions of Approval

Other Conditions of Approval are based on City Code chapters other than Chapter 4, state law, federal law, or other agency rules and regulations. Questions or requests about the applicability, appeal, exemption or non-compliance related to these other Conditions of Approval should be directed to the City Department, Division, or non-City agency with authority over the relevant portion of the development approval.

The City Council will then take the final action on the request.

### Street Vacation Reviewed In Accordance with ORS 271.

Subsection 4.034 (.07)

The locations of Tract U (linear green), Tract T (private alleyway) and lots 87 and 88 are proposed to be within the existing ROW of Cherbourg Lane that is being vacated. Connectivity of the neighborhood will still be provided through the proposed street configurations and the proposed linear greens on-site.

Compliance with applicable sections of the City of Wilsonville Planning & Land Development Ordinance are addressed in Section II of this Narrative. Section III addresses compliance with the relevant conditions of approval of Casefile No. DB18-0051. Section III addresses compliance with ORS 271.

#### **IV. OREGON ADMINISTRATIVE RULE (ORS) 271**

##### **271.080 VACATION IN INCORPORATED CITIES; PETITION; CONSENT OF PROPERTY OWNERS**

- (1) Whenever any person interested in any real property in an incorporated city in this state desires to vacate all or part of any street, avenue, boulevard, alley, plat, public square or other public place, such person may file a petition therefor setting forth a description of the ground proposed to be vacated, the purpose for which the ground is proposed to be used and the reason for such vacation.
- (2) There shall be appended to such petition, as a part thereof and as a basis for granting the same, the consent of the owners of all abutting property and of not less than two-thirds in area of the real property affected thereby. The real property affected thereby shall be deemed to be the land lying on either side of the street or portion thereof proposed to be vacated and extending laterally to the next street that serves as a parallel street, but in any case not to exceed 200 feet, and the land for a like lateral distance on either side of the street for 400 feet along its course beyond each terminus of the part proposed to be vacated. Where a street is proposed to be vacated to its termini, the land embraced in an extension of the street for a distance of 400 feet beyond each terminus shall also be counted. In the vacation of any plat or part thereof the consent of the owner or owners of two-thirds in area of the property embraced within such plat or part thereof proposed to be vacated shall be sufficient, except where such vacation embraces street area, when, as to such street area the above requirements shall also apply. The consent of the owners of the required amount of property shall be in writing.

**Response:** This application is a petition for vacation of SW Cherbourg Lane ROW north of Berlin Avenue, as depicted on the attached legal description and sketch (see Exhibit C). This Narrative describes the purpose of the proposed street vacation. Exhibit B includes a copy of the signed petition with an attached map and list that demonstrates the areas of proposed ROW vacation, and the abutting properties and real property affected thereby. The petition has been signed by all owners of abutting property, who are also the owners of more than two-thirds (2/3) of real property affected

thereby. The total size of real property affected thereby is 225,963 SF. The sum of the area of real property affected thereby that is also within the abutting tax lots is 200,690 SF, or 90% of the total real property affected thereby. Given that the petition has been signed by all owners of abutting property, consent of property owners for 90% (i.e. greater than two-thirds) of the area of the real property affected has been provided on the attached petition.

#### **271.120 HEARING; DETERMINATION**

At the time fixed by the governing body for hearing the petition and any objections filed thereto or at any postponement or continuance of such matter, the governing body shall hear the petition and objections and shall determine whether the consent of the owners of the requisite area has been obtained, whether notice has been duly given and whether the public interest will be prejudiced by the vacation of such plat or street or parts thereof. If such matters are determined in favor of the petition the governing body shall by ordinance make such determination a matter of record and vacate such plat or street; otherwise it shall deny the petition. The governing body may, upon hearing, grant the petition in part and deny it in part, and make such reservations, or either, as appear to be for the public interest.

Response: The Applicant understands that the governing body shall hear the petition and objections and determine whether the requirements for street vacation have been met. Compliance with ORS 271.080 is addressed above. The signed petition is provided as Exhibit B. A legal description and sketch are provided as Exhibit C.

#### **271.140 TITLE TO VACATED AREAS**

The title to the street or other public area vacated shall attach to the lands bordering on such area in equal portions; except that where the area has been originally dedicated by different persons and the fee title to such area has not been otherwise disposed of, original boundary lines shall be adhered to and the street area which lies on each side of such boundary line shall attach to the abutting property on such side. If a public square is vacated the title thereto shall vest in the city.

Response: The Applicant understands that the title to portions of the street to be vacated will be attached to the lands bordering the subject area in equal portions.

#### **271.150 VACATION RECORDS TO BE FILED; COSTS**

A certified copy of the ordinance vacating any street or plat area and any map, plat or other record in regard thereto which may be required or provided for by law, shall be filed for record with the county clerk. The petitioner for such vacation shall bear the recording cost and the cost of preparing and filing the certified copy of the ordinance and map. A certified copy of any such ordinance shall be filed with the county assessor and county surveyor.

Response: ORS 271.150 addresses the final ordinance procedure and accompanying fee for filing and recording. The Applicant acknowledges that the petitioner bears the recording cost and the cost of preparing and filing the certified copy of the ordinance and map and will carry out this responsibility at the time when the final ordinance is prepared.

## **271.190 CONSENT OF OWNERS OF ADJOINING PROPERTY; OTHER REQUIRED APPROVAL**

No vacation of all or part of a street, alley, common or public place shall take place under ORS 271.180 unless the consent of the persons owning the property immediately adjoining that part of the street or alley to be vacated is obtained thereto in writing and filed with the auditor or clerk of the city or town. No vacation shall be made of any street, alley, public place or part thereof, if within 5,000 feet of the harbor or pierhead line of the port, unless the port commission, or other bodies having jurisdiction over docks and wharves in the port district involved, approves the proposed vacation in writing.

Response: Compliance with ORS 271.080 is addressed above. The area of proposed ROW vacation is not within 5,000 feet of a harbor or pierhead line of a port.

## **271.200 PETITION; NOTICE**

- (1) Before any street, alley, common or public place or any part thereof is vacated, or other right granted by any city governing body under ORS 271.180 to 271.210 the applicant must petition the governing body of the city or town involved, setting forth the particular circumstances of the case, giving a definite description of the property sought to be vacated, or of the right, use or occupancy sought to be obtained, and the names of the persons to be particularly affected thereby. The petition shall be filed with the auditor or clerk of the city or town involved 30 days previous to the taking of any action thereon by the city governing body.
- (2) Notice of the pendency of the petition, containing a description of the area sought to be vacated or right, use or occupancy sought to be obtained, shall be published at least once each week for three successive weeks prior to expiration of such 30-day period in a newspaper of general circulation in the county wherein the city or town is located.

Response: This application is a petition to the City to vacate portions of ROW, as depicted on the attached legal description and sketch (see Exhibit C). This Narrative describes the circumstance of the proposed street vacation. A copy of the petition signed by abutting property owners, who are also more than 2/3 of owners of real property affected thereby, and a list of the names of the affected property owners is provided as Exhibit B.

## **V. CONCLUSION**

This narrative and the attached exhibits demonstrate compliance with the applicable provisions of the City of Wilsonville Planning & Land Development Ordinance, relevant conditions of approval, and ORS 271. Therefore, the Applicant respectfully requests approval of the proposed street vacation.
