Dear City of Wilsonville,

Thank you for taking the time to look into the planned 1000 foot runway lengthening improvement at the Aurora Airport.

Please register my/our strong support for this runway lengthening and for the substantial increase in safety it will provide to the aircraft operating off the Aurora Airport and to the surrounding areas.

Thank you.

Dear City of Wilsonville,

Thank you for your consideration of the planned 1000 foot runway lengthening improvement at the Aurora Airport.

As we have for many years and very regularly operated a Gulfstream business Aircraft off the Aurora Airport to help support our Wilsonville operation and many local employees; Please register our very strong support for this runway lengthening and for the substantial increase in safety it will provide to us and to all those occupying the surrounding areas.

We very commonly have to compromise our payload and/or flight range from Aurora and at times are stuck driving from PDX to Wilsonville and back ("constrained operations") in the interest of safety due to the Aurora Airport's short runway length.

Thank you.
