Dear City of Wilsonville,

As a lifelong area resident, and retired major airline pilot with over 40 years experience as a professional aviator, I would like to thank you for taking the time to look into the planned 1000 foot runway lengthening improvement at the Aurora Airport.

Please register my **strong support** for this runway lengthening and for the substantial increase in safety it will provide to the aircraft operating off the Aurora Airport and to the surrounding areas.

Thank you.
