## June 2017

Library Artist of the Month:

Caye Bogue

Summer Reading Program starts June 12

We will "Build a Better World" as we celebrate creating, repurposing, and building, with fun reading challenges.

KIDS who read for at least 20 minutes a day for 20 days receive a free book and other prizes. Parents are welcome to read to their pre-reading child to complete the goal. All readers qualify for a chance to win an annual pass to the Oregon Zoo.

Children who complete 10 science explorations receive a science prize. All science finishers qualify for a chance to win an annual pass to OMSI.

TEENS (6th–12th grade students) who read at least 20 minutes a day for 20 days win a free book and qualify for fun prize drawings. Teen special programs on Mondays start June 26. Programs range from movies and melting beads, to a magic workshop and an epic water fight.

ADULTS (ages 18 and over) who complete a Bingo Card or a Reading Log (or both) will qualify for the Grand Prize Drawing. Prizes include movie tickets and gift certificates to local businesses. Think you're too busy? Reading to your child counts, too!

New Play Wall in the Children's Room

Thanks to a generous grant from Xerox, the library was able to purchase and install a Play Wall in the Children's Room play area.

The play wall provides an opportunity for children to role play daily life scenes, as well as to use their imagination as they create their own stories.

Playing is important for building early literacy and social skills in children. Play encourages children to make their own choices, aids in learning, and is a way of learning in its own right.

For more information, contact Youth Services Librarian Shannon Belford at 503-570-1592.
