Library changes coming

You may have noticed some changes already happening around the library.

In March, we started "tagging" all library items so we can begin to utilize RFID technology to improve library services.

Also in the spring, we started looking at options for remodeling the library. While the library was significantly expanded in

2002, our needs have changed over the past fifteen years, and it is time to make some updates.

system, along with moving various collections around, installing new carpeting and paint, and refreshing the library interior.

The remodeling process may take awhile, and will require flexibility and cooperation from everyone.

We thank you for your patience as we strive to create an even better

library experience for all.

One of the first steps will be an overhaul of our HVAC

Summer Reading Program ends August 31

It's not too late to participate in the Summer Reading Program!
