Library Takes Precautions Against the Coronavirus

With concerns about the coronavirus, the Library is taking a series of precautions:

- Hand sanitizer bottles are available throughout the building. More standing dispensers are on order.
- Sanitizing wipes and gloves are available at the Circulation Desk.
- Signs with reminders about standard hygiene have been placed in

restrooms and around the library.

- Toys from the Children's area have been removed, and Play Group has been canceled.

- Staff will clean tables and computer areas twice a day.

We are doing what we can to keep things clean and disinfected within the Library, but we cannot fully control the public environment.

We are keeping tabs on developments and will be ready to take further steps as needed.
