

RESOLUTION NO. CXXIV (124)

A RESOLUTION ADOPTING FINAL PLANS AND SPECIFICATIONS FOR BOECKMAN CREEK SEWER IMPROVEMENT PROJECT (LID #3) AND DIRECTING ADVERTISEMENT FOR BIDS FOR CONSTRUCTION CONTRACT

WHEREAS, the Engineer's Report for the Boeckman Creek Sewer Improvement Project was amended and approved as amended by Council Resolution No. CXIX (119) adopted May 21, 1979, and the City's engineer was authorized to prepare detailed plans, specifications and cost estimates for said project; and

WHEREAS, the City's engineer, Westech Engineering, Inc., has prepared and filed with the Council under date of July 1979, the required detailed plans, specifications, and cost estimates which have been reviewed by the Council and found to be consistent with preliminary plans and cost estimates, and the estimated construction cost is \$317,650.50, and the total estimated project cost is \$392,812.20, which is only 8.05% more than estimated costs in the engineer's initial report; now therefore, it is hereby

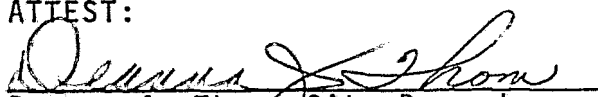

RESOLVED that the final plans and specifications for the Boeckman Creek Sewer Improvement Project (LID #3) as prepared by Westech Engineering, Inc., dated July 1979, and entitled "BOECKMAN CREEK TRUNK SEWER" are hereby approved and adopted.

IT IS FURTHER RESOLVED that the improvement project be constructed by contract method and that the City Recorder with the cooperation of the engineers advertise for bids on the project according to the final plans and specifications, in the Tigard Times and other usual trade publications, for at least once a week for two successive weeks prior to the time scheduled for opening bids; and to open the bids as received and report the results to the Wilsonville City Council.

Adopted by the Wilsonville City Council at a special meeting thereof on July 10, 1979.

William G. Lowrie, Mayor
