‘Explore Wilsonville’ Tourism Promotion and Destination Marketing Services

1. PROJECT DESCRIPTION

A. Summary of the Project

The City of Wilsonville, Oregon, invites proposals from qualified individuals or organizations (“Proposer”) for tourism promotion and destination marketing services (“Project”) for the City’s ‘Explore Wilsonville’ tourism-development strategy. The strategy is updated annually by a Five-Year Action Plan and Annual One-Year Implementation Plan for the Wilsonville Tourism Development Strategy (“Plan”) that acts an over-arching business plan approved by the Tourism Promotion Committee (“Committee”) and adopted by the City Council.

The Plan is implemented primarily through a Tourism Promotion and Destination Marketing Services Plan Program (“Program”) developed by the Proposer, with input and direction of the Committee and also approved by City Council concurrent with the Plan. The Program consists of a specific set of marketing-communications deliverables, as well as general ongoing professional services, that are the subject of this Request for Proposals (RFP).

Located mid-way between Oregon’s largest metropolitan area and the state capitol, the ‘Explore Wilsonville’ tourism-promotion program seeks to position Wilsonville as an attractive destination along I-5 for overnight lodging from which to explore nearby attractions with day-long ‘pocket trips’ throughout the Portland metro region and the North Willamette Valley. Working with a tourism promotion and destination marketing services consultant firm, the City of Wilsonville’s Tourism Promotion Committee acts as the local-area Destination Marketing Organization (DMO), collaborating with Clackamas County Tourism & Cultural Affairs/ Oregon’s Mt. Hood Territory, Washington County Visitors Association, and the Willamette Valley Visitors Association.

As a city with a range of two- to four-star lodging-property options that provide approximately 600 hotel rooms located on the dual edge of the Portland metro area and “Oregon Ag/Bike/Wine Country,” Wilsonville provides easy access to both urban and rural attractions. As a city that hosts major corporations with thousands of employees and contractors, business and convention visitors seek additional leisure-trip opportunities. Thus, Wilsonville has a regional tourism-promotion agenda that reaches out beyond the city limits to promote area attractions and events while positioning Wilsonville as the destination for visitors to choose for overnight lodging.

B. Scope of Work

This RFP focuses on obtaining high-quality, professional tourism promotion and destination marketing services for the relatively new ‘Explore Wilsonville’ DMO that has a footprint in both the Portland metro market and the Willamette Valley, facilitating Wilsonville’s ability to be a “dual gateway” between urban culture and agricultural heritage. The key objective of the Project is to increase overnight lodging occupancy during the non-summer shoulder-season months of
the year by developing marketing campaigns that promote Wilsonville as an ideal lodging ‘base-camp’ for day trips to explore regional attractions and events.

Specific tourism promotion and destination marketing services that are required by this RFP’s Scope of Work include but are not limited to the following:

**Marketing Services**

- Advancing and implementing marketing promotion plans that include ad-buys, creating digital and print advertising, online/website promotional features, and social media engagement.
- Creating digital and print marketing collateral, as needed, that could include a visitor guide and map, brochures, and other products.

**Website Services**

- Hosting ExploreWilsonville.com tourism website on a platform that provides high quality presentation for all devices, including desktop, tablet, and mobile phone.
- Utilizing SEO and keywords strategies to generate online referrals.
- Developing and maintaining original written, graphic arts and photographic content for the tourism website, ExploreWilsonville.com, and related social media channels that include easily accessible, current/updated listings of area events and tourism attractions ("20-mile radius), and feature local lodging/dining opportunities.

**Social Media Services**

- Designing and implementing a social media marketing strategy, including promotional e-marketing campaigns and contests and posting regular updates to Facebook, etc.

**Public Relations Services**

- Managing media contacts and issuing regular news releases to feature unique content and market attractions/events.
- Developing and cultivating earned media coverage through issuing press releases, pitching stories, and arranging hosted tours.

**Photographic and Video Services**

- Arranging and implementing photographic and video shoots, including obtaining models and releases, for use in print and digital media.

**Management Services**

- Overseeing all aspects of ‘Explore Wilsonville’ tourism promotion program, in conjunction with staff and Committee, including financial accounting.
- Providing necessary management supervision of activities and maintaining registrations and insurance provisions.
- Developing and operating procedures/systems, in conjunction with City staff, for public communications to respond timely to inquiries and fulfill requests for information via email, online, phone, US mail, or in-person.
- Managing subscriptions to online services, software and database services, and other destination marketing associations.
• Participating in-person (preferable) or telephonically in Committee meetings that average six (6) two-hour meetings per fiscal year.

• Producing quarterly reports on a key set of metrics that include lodging property occupancy, website/social-media traffic, inquiries/information-requests, etc.

Collateral, Printing, and Shipping/Distribution Services

• Creating and arranging production/printing of brochures and other marketing collateral.

• Developing and supporting distribution channels and paying shipping costs for print collateral products to targeted rest stops, visitor centers, and other locations.

Reserve/Contingency

• Setting aside a portion of budget to cover unanticipated opportunities or expenses.

For more information on the components desired in a Scope of Work to be submitted as a Proposal, see Appendix A – Tourism Promotion and Destination Marketing Services Desired Scope of Work.

C. Term and Budget of Project

The Contract awarded under this RFP is for an amount not to exceed $300,000 for a one-and-a-half-year period, covering January 1, 2020 through June 30, 2021.

The Contract will also contain an option for the City, at its sole discretion, to extend the Contract with a modified scope of work proposed by Proposer and acceptable to the City for two (2) additional one (1) year contract extensions of the Project, with each extension currently estimated at $200,000 but subject to City Council annual budget approval.

Thus, the potential budget over three-and-a-half years for tourism promotion and destination marketing services that includes the timeframe of this RFP and two optional extensions totals an amount not to exceed $700,000.

D. Tourism Budget Information

The City’s tourism promotion and destination marketing program, a component of the Parks and Recreation Department with staffing assistance from the City Manager’s Office, is funded through transient lodging taxes collected by the City. The budgeted amount for ‘Explore Wilsonville’ tourism promotion and destination marketing professional services is $200,000 annually for FY 2019-20; the same amount as has been budgeted for the prior two fiscal years and is estimated for the next three fiscal years.

The City also budgets annually an additional $25,000 for a local Community Tourism Grant Program, and allocates $20,000 annually of Oregon’s Mt. Hood Territory tourism funds via the Clackamas County Tourism & Cultural Affairs Community Partnership Program.

Based on four special projects that require additional research and resources, as suggested by the Wilsonville Tourism Development Strategy (“Strategy”) and confirmed in the annual Plan, the City budgets additional funds to undertake one special project each fiscal year. The FY 2018-19 special project was a visitor profile survey, budgeted at $60,000 for both summer and winter periods, that was completed in June 2019. The FY 2019-20 special project, budgeted in the amount of $100,000, is a market feasibility study of a year-round multi-purpose facility with a possible adjacent hotel. Special projects are not a component of this RFP; however, information
from special projects work may be incorporated into the Plan and related tourism promotion and destination marketing services.

Thus, the total amount of tourism funding resources for the Plan for a one-year period of the current fiscal year, FY 2019-20, for July 1, 2019 through June 30, 2020, is $345,000:

- $200,000 for tourism promotion and destination marketing services
- $100,000 for special project: study of year-round multi-purpose facility
- $45,000 for city and county tourism grant programs

Note that the $200,000 cited above is the total annual amount budgeted for tourism promotion and destination marketing services during this current fiscal year, with this RFP covering the last half of the current fiscal year (i.e., January 1, 2020 through June 30, 2020) and all of the next fiscal year, FY 2020-21, July 1, 2020 through June 30, 2021).

E. ‘Explore Wilsonville’ and Community Description

Originally adopted by City Council in May 2014, the Wilsonville Tourism Development Strategy provided fieldwork research and a general blueprint for local-area tourism promotion and destination marketing services, together with a set of recommendations for both short- and long-term actions.

The Committee prioritized key components of the Strategy, and is working through those elements via annual approval of the Plan that provides a larger five-year action plan and a more specific one-year plan targeted for implementation the following fiscal year. Thus, the strategy is updated annually by the Five-Year Action Plan and Annual One-Year Implementation Plan for the Wilsonville Tourism Development Strategy that acts as a business plan approved by the Tourism Promotion Committee and adopted by the City Council.

The Plan is implemented primarily through a Tourism Promotion and Destination Marketing Services Plan Program developed by the Proposer, with input and direction of the Committee and also approved by City Council concurrent with the Plan. The Program consists of a specific set of marketing-communications deliverables, as well as general ongoing professional services, that are the subject of this RFP.

As one of Oregon’s fastest-growing cities for the past two decades, Wilsonville now has a population over 25,000 and hosts 21,000 jobs that generate a $1.2 billion annual payroll, mostly in high-tech engineering and manufacturing jobs. Significant employers include Siemens Mentor Graphics, Sysco Food Services, Collins Aerospace, TE Medical, DW Fritz Automation, and FLIR. Notable residential developments include the international-award winning Villebois urban village and the 2019 NW Natural Street of Dreams location in the Frog Pond West neighborhood.

Education is a top community priority, with the West Linn-Wilsonville School District rated as one of Oregon’s top public school systems, and higher-education facilities of Clackamas Community College and Oregon Institute of Technology’s “Oregon Tech” Portland-metro campus located in Wilsonville.

The City operates South Metro Area Regional Transit (SMART) that offers fixed-route, fare-free rides in town and fare connections to TriMet’s Westside Express Service (WES) commuter rail to Tualatin, Tigard, and Beaverton, the entire Portland metro system, and to Canby and Salem/Keizer.
In a series of National Citizen Surveys conducted over the past six years, Wilsonville residents consistently score the quality of life and City services as some of the best in the U.S. based on the scientifically valid survey. Both residents and visitors rate Wilsonville’s parks, which include two regional parks that feature playing fields/recreation opportunities and natural areas, as attractive amenities. The Willamette River represents an incredible natural resource that is only recently being utilized, with plans for new park development and improved river access. New bike/ped bridges over I-5 and the Willamette River that connect with the Portland metro area Ice Age Tonquin Trail are currently being planned by the City.

The City reserves the right to perform additional investigations of any Proposer, including communication with licensing authorities, former clients, and references, and other means as the City deems appropriate, and may reject any Proposal upon finding a record of Proposer’s substandard workmanship.

**E. Successful Proposer Determination**

The Proposer with the highest overall ranking, as determined by the Selection Review Committee, shall be identified as the Successful Proposer.

The Selection Review Committee shall determine the final ranking of Proposers and its decision is final. Upon determination of the Successful Proposer and performance of additional investigations, the City will issue a Notice of Intent to Award letter, notifying all Proposers of the City’s selection of a Successful Proposer and protest procedures.

The City reserves the right to negotiate a final contract that is in the best interest of the City. The City will only negotiate those provisions of Tourism Promotion and Destination Marketing Professional Services Agreement that were noted as Exceptions in the Proposal. The City will attempt to reach a final agreement with the Successful Proposer. The City may, in its sole discretion, terminate negotiations and reject the Proposal in the event agreement cannot be reached. The City may then attempt to reach final agreement with the next highest ranked Proposer, and so on with the remaining Proposers, until an agreement is reached. In the alternative, the City may at any time elect to reject all Proposals and begin the RFP process over.

After the City has reached final agreement with the Proposer, the Selection Review Committee will make a recommendation to the Wilsonville City Council. The Wilsonville City Council will then make the final contract award decision.

**F. Award Protest**

A Proposer believing to have been adversely affected or aggrieved by the selection of the Successful Proposer may submit a protest to the City in accordance with OAR 137-047-0740. The protest must be in writing and submitted to:

Wilsonville, OR 97070
OR via e-mail to:
ottenad@ci.wilsonville.or.us

Award protests shall include “RFP Award Protest – Tourism Services” in the subject line or written on the front of the envelope. The written protest must be received by the City no later than **5:00 p.m. local time on Friday, November 8, 2019.** The protest should demonstrate that all higher ranked Proposers failed to meet the requirements of the RFP or are not qualified to perform the services described in the RFP. Protests received after the submittal deadline will not be considered.

No contract associated with the RFP will be awarded until any protests have been resolved. The City will evaluate and resolve all award protests submitted before the deadline within a reasonable time following receipt of the protest. The City will promptly issue a written decision on the protest to the Proposer who submitted the protest. If the City’s written decision on the protest results in a change to the RFP, the City shall cancel the Notice of Intent to Award, revise the RFP documents accordingly, and solicit for new Proposals. The City’s decision regarding the protest is final and concludes the administrative appeals process.

The following is included as additional insured: “The City of Wilsonville, its elected and appointed officials, officers, agents, employees, and volunteers.” An endorsement shall also be provided requiring the insurance carrier to give the City at least thirty (30) days’ written notification of any termination or major modification of the insurance policies required hereunder. Consultant must be an additional insured on the insurance policies obtained by its subcontractors performing work on the Services contemplated under this Agreement.

11.1.7. Certificates of Insurance. As evidence of the insurance coverage required by this Agreement, Consultant shall furnish a Certificate of Insurance to the City. This Agreement shall not be effective until the required certificates and the Additional Insured Endorsements have been received and approved by the City. Consultant agrees that it will not terminate or change its coverage during the term of this Agreement without giving the City at least thirty (30) days’ prior advance notice and Consultant will obtain an endorsement from its insurance carrier, in favor of the City, requiring the carrier to notify the City of any termination or change in insurance coverage, as provided above.

11.2. Primary Coverage. The coverage provided by these policies shall be primary, and any other insurance carried by the City is excess. Consultant shall be responsible for any deductible amounts payable under all policies of insurance. If insurance policies are “Claims Made” policies, Consultant will be required to maintain such policies in full force and effect throughout any warranty period.

Section 12. Early Termination; Default

12.1. This Agreement may be terminated prior to the expiration of the agreed upon terms:
12.1.1. By mutual written consent of the parties;

12.1.2. By the City, for any reason, and within its sole discretion, effective upon delivery of written notice to Consultant by mail or in person; or

12.1.3. By Consultant, effective upon seven (7) days’ prior written notice in the event of substantial failure by the City to perform in accordance with the terms through no fault of Consultant, where such default is not cured within the seven (7) day period by the City. Withholding of disputed payment is not a default by the City.

12.2. If the City terminates this Agreement, in whole or in part, due to default or failure of Consultant to perform Services in accordance with the Agreement, the City may procure, upon reasonable terms and in a reasonable manner, services similar to those so terminated. In addition to any other remedies the City may have, both at law and in equity, for breach of contract, Consultant shall be liable for all costs and damages incurred by the City as a result of the default by Consultant, including, but not limited to all costs incurred by the City in procuring services from others as needed to complete this Agreement. This Agreement shall be in full force to the extent not terminated by written notice from the City to Consultant. In the event of a default, the City will provide Consultant with written notice of the default and a period of ten (10) days to cure the default. If Consultant notifies the City that it wishes to cure the default but cannot, in good faith, do so within the ten (10) day cure period provided, then the City may elect, in its sole discretion, to extend the cure period to an agreed upon time period, or the City may elect to terminate this Agreement and seek remedies for the default, as provided above.

12.3. If the City terminates this Agreement for its own convenience not due to any default by Consultant, payment of Consultant shall be prorated to, and include the day of, termination and shall be in full satisfaction of all claims by Consultant against the City under this Agreement.

12.4. Termination under any provision of this section shall not affect any right, obligation, or liability of Consultant or the City that accrued prior to such termination. Consultant shall surrender to the City items of work or portions thereof, referred to in Section 16, for which Consultant has received payment or the City has made payment.

Section 13. Suspension of Services

The City may suspend, delay, or interrupt all or any part of the Services for such time as the City deems appropriate for its own convenience by giving written notice thereof to Consultant. An adjustment in the time of performance or method of compensation shall be allowed as a result of such delay or suspension unless the reason for the delay is within Consultant’s control. The City shall not be responsible for Services performed by any subcontractors after notice of suspension is given by the City to Consultant. Should the City suspend, delay, or interrupt the Services and the suspension is not within Consultant’s control, then the City shall extend the time of completion by the length of the delay.
Section 14. Modification/Addendum

Any modification of the provisions of this Agreement shall not be enforceable unless reduced to writing and signed by both the City and Consultant. A modification is a written document, contemporaneously executed by the City and Consultant, which increases or decreases the cost to the City over the agreed Compensation Amount in Section 4 of this Agreement, or changes or modifies the Scope of Work or the time for performance. No modification shall be binding or effective until executed, in writing, by both Consultant and the City. If Consultant incurs additional costs or devotes additional time on Project tasks, the City shall be responsible for payment of only those additional costs for which it has agreed to pay under a signed Addendum to this Agreement.

Section 15. Access to Records

The City shall have access, upon request, to such books, documents, receipts, papers, and records of Consultant as are directly pertinent to this Agreement for the purpose of making audit, examination, excerpts, and transcripts during the term of this Agreement and for a period of four (4) years after termination of the Agreement, unless the City specifically requests an extension. This clause shall survive the expiration, completion, or termination of this Agreement.

Section 16. Property of the City

16.1. All documents, reports, and research gathered or prepared by Consultant under this Agreement, including but not limited to spreadsheets, charts, graphs, drawings, modeling, maps, data generation, papers, and diaries, shall be the exclusive property of the City and shall be delivered to the City prior to final payment. Any statutory or common law rights to such property held by Consultant as creator of such work shall be conveyed to the City upon request without additional compensation.

Section 17. Notices

Any notice required or permitted under this Agreement shall be in writing and shall be given when actually delivered in person or forty-eight (48) hours after having been deposited in the United States mail as certified or registered mail, addressed to the addresses set forth below, or to such other address as one party may indicate by written notice to the other party.

Section 18. Miscellaneous Provisions

18.1. Integration. This Agreement, including all exhibits attached hereto, contains the entire and integrated agreement between the parties and supersedes all prior written or oral discussions, representations, or agreements. In case of conflict among these documents, the provisions of this Agreement shall control.

18.2. Legal Effect and Assignment. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, personal representatives, successors, and assigns. This Agreement may be enforced by an action at law or in equity.

18.3. No Assignment. Consultant may not assign this Agreement, nor delegate the performance of any obligations hereunder, unless agreed to in advance and in writing by the City.

18.4. Adherence to Law. In the performance of this Agreement, Consultant shall adhere to all applicable federal, state, and local laws (including the Wilsonville Code and Public Works Standards), including but not limited to laws, rules, regulations, and policies concerning employer and employee relationships, workers compensation, and minimum and prevailing wage requirements. Any certificates, licenses, or permits that Consultant is required by law to obtain or maintain in order to perform the Services described on Exhibit A, shall be obtained and maintained throughout the term of this Agreement.

18.5. Governing Law. This Agreement shall be construed in accordance with and governed by the laws of the State of Oregon, regardless of any conflicts of laws. All contractual provisions required by ORS Chapters 279A, 279B, 279C, and related Oregon Administrative Rules to be included in public agreements are hereby incorporated by reference and shall become a part of this Agreement as if fully set forth herein.

18.6. Jurisdiction. Venue for any dispute will be in Clackamas County Circuit Court.

18.7. Legal Action/Attorney Fees. If a suit, action, or other proceeding of any nature whatsoever (including any proceeding under the U.S. Bankruptcy Code) is instituted in connection with any controversy arising out of this Agreement or to interpret or enforce any rights or obligations hereunder, the prevailing party shall be entitled to recover attorney, paralegal, accountant, and other expert fees and all other fees, costs, and expenses actually incurred and reasonably necessary in connection therewith, as determined by the court or body at trial or on any appeal or review, in addition to all other amounts provided by law. If the City is required to seek legal assistance to enforce any term of this Agreement, such fees shall include all of the above fees, whether or not a proceeding is initiated. Payment of all such fees shall also apply to any administrative proceeding, trial, and/or any appeal or petition for review.
18.8. **Nonwaiver.** Failure by either party at any time to require performance by the other party of any of the provisions of this Agreement shall in no way affect the party’s rights hereunder to enforce the same, nor shall any waiver by the party of the breach hereof be held to be a waiver of any succeeding breach or a waiver of this nonwaiver clause.

18.9. **Severability.** If any provision of this Agreement is found to be void or unenforceable to any extent, it is the intent of the parties that the rest of the Agreement shall remain in full force and effect, to the greatest extent allowed by law.

18.10. **Modification.** This Agreement may not be modified except by written instrument executed by Consultant and the City.

18.11. **Time of the Essence.** Time is expressly made of the essence in the performance of this Agreement.

18.12. **Calculation of Time.** Except where the reference is to business days, all periods of time referred to herein shall include Saturdays, Sundays, and legal holidays in the State of Oregon, except that if the last day of any period falls on any Saturday, Sunday, or legal holiday observed by the City, the period shall be extended to include the next day which is not a Saturday, Sunday, or legal holiday. Where the reference is to business days, periods of time referred to herein shall exclude Saturdays, Sundays, and legal holidays observed by the City. Whenever a time period is set forth in days in this Agreement, the first day from which the designated period of time begins to run shall not be included.

18.13. **Headings.** Any titles of the sections of this Agreement are inserted for convenience of reference only and shall be disregarded in construing or interpreting any of its provisions.

18.14. **Number, Gender and Captions.** In construing this Agreement, it is understood that, if the context so requires, the singular pronoun shall be taken to mean and include the plural, the masculine, the feminine and the neuter, and that, generally, all grammatical changes shall be made, assumed, and implied to individuals and/or corporations and partnerships. All captions and paragraph headings used herein are intended solely for convenience of reference and shall in no way limit any of the provisions of this Agreement.

18.15. **Good Faith and Reasonableness.** The parties intend that the obligations of good faith and fair dealing apply to this Agreement generally and that no negative inferences be drawn by the absence of an explicit obligation to be reasonable in any portion of this Agreement. The obligation to be reasonable shall only be negated if arbitrariness is clearly and explicitly permitted as to the specific item in question, such as in the case of where this Agreement gives the City “sole discretion” or the City is allowed to make a decision in its “sole judgment.”

18.16. **Other Necessary Acts.** Each party shall execute and deliver to the other all such further instruments and documents as may be reasonably necessary to carry out this Agreement
in order to provide and secure to the other parties the full and complete enjoyment of rights and privileges hereunder.

18.17. Interpretation. As a further condition of this Agreement, the City and Consultant acknowledge that this Agreement shall be deemed and construed to have been prepared mutually by each party and it shall be expressly agreed that any uncertainty or ambiguity existing therein shall not be construed against any party. In the event that any party shall take an action, whether judicial or otherwise, to enforce or interpret any of the terms of the Agreement, the prevailing party shall be entitled to recover from the other party all expenses which it may reasonably incur in taking such action, including attorney fees and costs, whether incurred in a court of law or otherwise.

18.18. Entire Agreement. This Agreement and all documents attached to this Agreement represent the entire agreement between the parties.

18.19. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall constitute an original Agreement but all of which together shall constitute one and the same instrument.

18.20. Authority. Each party signing on behalf of Consultant and the City hereby warrants actual authority to bind their respective party.

The Consultant and the City hereby agree to all provisions of this Agreement.
